Have fun with this dance by making it a contra line (especially at socials) :-			
Section 1 - walks forward and clap hands with the people opposite you Section 3 - when clapping on step 5-6 turn round over right shoulder and clap the hands of the person be you			
•	n 3 when you are clapping hands you could shout out the following to make it more fun :-		
1-2	"To you"		
3-4	. "To me"		
5-6	. "And back"		
7-8	. "To you"		
Section 4 - when walking forward pass your partner's right shoulder			

Many Thanks to Cathy Hodgson for her help in making this a contra dance xxxx
