(BEGIN AGAIN, and most certainly DWYF!)

***TAG: Is simply 8 counts repeating the samba touches on wall 5 and your original start wall (12:00):**

You will be starting the phrase with the samba touches, but turn ¼ left on 1 and 3; repeat this turning ¼ left on 5 and 7 finishing back at your start wall, then start from the top of the phrase (1 - 4) and continue on with the full phrase (you will have essentially done these samba touches in 3 pairs).

If you miss the restart until after you have done the first set of samba touches, just do the next 2 sets turning a ¼ left on each left and right so that you come back to your start wall of the phrase. *Or be creative!
