5-6 7&8 LF stomp, LF kick, LF step L PIVOT 1/4 R, Step R beside L, Step L in place

## **BEGIN DANCE AGAIN**

### **Notes**

There are some sections in the music with erratic rhythms, but do not be concerned, just focus on your STEPS and it will all fall into place.

Since it's a traditional folk song, hands placed on hips would be appropriate. Please do "stomps" with enthusiasm.

For those with knee issues, do a hitch rather than a Figure 4
