34 RF forward a large step on heel(3), draw LF in place(4)

5678 Point LF diagonally with knee bent and toe down in a round motion(5), LF back in place in a reversed motion(6), right quarter turn and RF point diagonally with knee bent and toe down in a round motion(7), RF back in place in a reversed motion(8) (3:00)

## Part B

### BS1: Freeze, Release

12 Shift weight on LF, freeze in a pose of choice with a sudden pop action(1), stay still henceforth(12)

3-8 Release the body in motion and start swaying to right and back in style of choice, and finally shift weight back on LF (12:00)

### BS2: Freeze, Release, Freeze, Release

12 Freeze and stay still henceforth

34 Release the body in motion and sway right

56 Freeze and stay still henceforth

78 Release the body in motion and sway left (12:00)

## Part C

### CS1: Back, Swivel, Turn

&1234 quarter turn left and tap LF backward(&), quarter turn left and gradually shift weight to LF with right hand push right for style(1234) (6:00)

5678 RF heel swivel left as much as possible(5) and follow by turning right in slow motion for three quarter turn and LF backward(678) (3:00)

**CS2: Knee up, side, sway x2**

1234            Raise right knee up gradually

5678            RF step aside(5), sway right(6), sway LF(78)

**Restart and tag: after 16 counts of the last part A when facing 3:00, RF stomp forward when music freeze, listen to the conversation and act accordingly, during the course turn the body facing 12:00, and shortly after the word "you can't", shift weight on LF and freeze, this counts as (1) of part B, and continue with rest of part B.**

**The dance ends at count 13 of part B facing 3:00 which is a freeze posture.**

**Enjoy the fun popping!**
