**This AB (Absolute Beginner) series of dances was written for inexperienced dancers everywhere. Dancers: Learning Line Dance Terminology is paramount to your success as a Line Dancer. Remember, use Small Steps, be friendly and courteous, follow floor etiquette, and most important – HAVE FUN!**

**Note: Thanks to feedback, I know this Series is being used for Seniors, Floor splits, and with a little imagination (1/4 turn at the end) they are also being used as Beginner Dances. Woot!**

**Studies show that Dance enhances Physical and Mental health! Lord, let us keep on moving.**
