***Styling tips:** In counts 7&8 of the first section and 1&2 of the second section, you can make the triples forward into two tripling ½ turns.

Please use in original format. If you choose to post on your website, please do not alter in any way and include all choreographer contact information.

***Choreographer's Note:** The choreography for this dance began in early March 2021 (released in late April). It was choreographed for Dirty by Tyler Farr and would've been called She Likes It Dirty. I fought with the dance for weeks because something didn't feel right. Just as I got the steps the way I liked them, as fate would have it, I saw a video go viral on TikTok with the title track Salt, Lime, and Tequila by the artist Ryan Griffin. The steps do work for Dirty. So if you'd like alternate music give it a try as well. A HUGE shout out to my Boundless Boots class for putting up with my endless changes and floor testing of this one as well as your applause and cheers when it was put to the right music.
