All my routines are based on AB or beginner dancers. No turning vines or spins, no tripping steps, just easy going moves. Routines that anybody can do. I feel that some of the beginner routines scare some of the new dancers off. This way, they can work into the routines easy and understand them better. A few of mine are a little fast, but should be easy for beginners once they feel comfortable with the steps. Georgie
My sincere thanks to Copperknob for being so helpful to this old lady!
