

# Cat and Mouse (고양이와 쥐) (Solo / Partner)

**COPPER** KNOB  
STEPSHEETS

Count: 38

Wand: 0

Ebene: Improver Progressive Solo / Partner

Choreograf/in: Dick Rogers (USA) & Nancy Rogers (USA) - January 2022

Musik: Let's Chase Each Other Around the Room - Thompson Square

Notes: No tags or restarts. Gender neutral. Can be done solo using either the Lead role or Follow role version, or as a chase alternating Lead and Follow dancers in single file. Also, can be done as a partner dance side-by-side in shine, or as a limited-touch partner dance where only inside hands connect. The first set of steps described below are typical Lead role steps, and the second set are typical Follow role steps. Abbreviation: CBMP = Contra Body Movement Position. Korean pronunciation: goyang-iwa jwi.
