

Bass No Tenors

Count: 32

Wand: 2

Ebene: Beginner

Choreograf/in: Liz Atkinson (USA) - April 2022

Musik: All About That Bass (No Tenors) - Straight No Chaser

This song is a parody of the Megan Trainor track, All About That Bass. It is sung by an all-male acapella group and pokes fun at the tenor singers, who usually get the lead and the attention. (But we know it's all about that bass.)

#32 count introduction. Begin with weight on LF.

NO Tags - NO Restarts
