7, 8& Step right foot forward, Pivot ½ over left shoulder and take weight onto left foot, turn ¼ left (setting yourself up for big side step to start the next wall) (9:00)

**Ending**

**Pose!**

At the end of wall 12 you will execute the final pivot and quarter turn at the end of the dance and be facing front. The song has one final resolving chord. Step your right foot to the side and give whatever kind of pose you prefer (sassy, Fosse, hip-hop – or anything else you like) to the folks watching the dance. □
