5-8 Step R over L, Step back on L, Step on R. Step on L

That's it! I hope you like it. Please click on like if you do, and vote for it. Just brought Hubby home from the hospital after 4 days in there. While sitting there with him, I wrote this one up. So, here it is. Please do not alter routine without my permission. I try very hard to make it easy for all beginners. The music is Pop, but the routine will go with any 32 count song. Country or whatever you like. Experience with it and you will see how easy it is to switch music with almost any routine, with no tags. Thank You, Georgie mygeo@adamswells.com or mygrantg@gmail.com Enjoy!
