Final: (B 16 counts + 4 counts)

after 16 counts of part B execute counts from 5 to 8 of the 3[^] sequence.

N.B.

Part B counts are as consistent as possible with the dance but, for better execution of the choreography, we suggest to follow melody and lyrics of the song and refer to the video of the dance.

I conteggi della parte B sono il più possibile coerenti con il ballato ma, per una migliore esecuzione della coreografia, suggeriamo di seguire la melodia e il cantato del brano e di fare riferimento al video del ballato.
