Timing Change during Wall 7

From counts 12-20 the music slows down....drastically

The sweep that happens on count 5 of the 2nd set of 8 will be drawn out, then step L behind R

From there step R to diagonal, then L to diagonal, step back on R, step back on L squaring up.

This will set you up to pick up the normal tempo with count 5 of the 3rd set of 8 to start the diamond
