Count: 48

Wand: 1

Ebene: Improver

Choreograf/in: Jamie Grundy (USA) - January 2025

Musik: Love Me JeJe - Tems

I believe soul line dances are usually learned by watching people dance it and memorizing the steps and how they fit the music, making strong muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.
