Musik: You Like Me Don't You - Jermaine Jackson

I believe soul line dances are usually learned by watching people dance it and memorizing the steps, how they fit the music, and making strong musical muscle memories. This dance, fortunately, also lends itself to being counted and written into a step sheet for other learning preferences. The counts are based on the rhythm of the music.

***1st ROTATION DO ALL OF PART 1 AND OMIT FIRST 8 COUNT STEPS OF PART 2**
