The dance will stop after last "Part C" to hip bump to right in the Komi's music.

The "Five's dance" will start when the "strange" voice says: "Don't wanna let you go." There is the break between the fifth and the sixth "Part C". It is about four counts long and you can do four hip bumps to right during the break. The dance will stop after last "Part C" to hip bump to right, just same like the Komi's

"Viimeinen solo". But anyway, listen to the music and don't sleep!
