- 25-28 Take large step forward on left foot, drag toe of right foot forward past left foot, step right heel forward, hold
29-30 Pivot ½ to the left stepping down on right foot (left heel will be in touch position forward), hold
31&32 Step in place on ball of left foot, walk forward (right, left)

REPEAT

VARIATION FOR ATTITUDE

During the last 8 counts, place hands on hips and turn head to look over left shoulder, continue to look in that direction as you make your turn. You will end up looking over your right shoulder. Then return hands to original dance position and look forward as you walk forward. Get a little funky with it and have fun!
