## REPEAT

For the song, "it's now or never", only, there is an into. At the beginning of the music, when the instrumental comes in, start on the third beat. The music slows down close to the end, keep the dance in motion, it picks up again. At the end, weight is on left, hold for 2 beats, then bump hips, right, left, right, on counts 1,2, 3&4)
