REPEAT

Tracks 43-54 all merge into each other and they only last 4:35 altogether. The tracks are also available on The Biggest Party on the Planet by Jive Bunny and the Mastermixers on CD3. The music is only slightly shorter than the Rock 'N' Roll Dance Party CD. The tracks both start at the same time after the words C'mon Everybody. When using the Rock 'N' Roll Dance Party CD, on the last 4 counts on the music change the 2 Monterey turns at the end of the dance to one full Monterey turn. You should end up at the wall you originally started at.
