## STEP AND TURN

- 17-18 Left foot step forward. Half turn to right.  
19-20 Left foot step forward. Half turn to right.

## REPEAT

### Clarification on the turning shuffles

The use of forward, back, left and right in the description (7 & 8 and 11 & 12) is relative to the orientation of the foot at the beginning of that step, the entire shuffle step is in one direction only.
