| 3-4 | LADY: Step right back, touch left beside right. |
| L-6 | MAN: Step right forward, touch left beside right. <br> LADY: Step left back, touch right beside left. |

## REPEAT

To avoid confusion \& to simplify the count, the Texas two step is normally taught using a 4 count. In using this count, the touches on beats 4 and 6 become a mental count. As you would count it out would be: one, two, three (touch), four (touch) \& referred to as quick, quick (require one beat of music), slow, slow (requires two beats of music).
