REPEAT

This dance is designed to start on vocals but because of the exceptionally long introduction, I have included a tag

- 1-2 Rock/step right to right side (raising hands fisted chest height & swing them to the left)
- 3-4 Rock back onto left sliding right next to left swinging hands back to the front

5-8 Repeat last 4 counts to left

1 Lift right leg over left, slap right heel with left hand
2 Twist left foot ¼ turn left while swinging right leg behind & grabbing right foot with right hand
3-4 Step right foot down while placing left heel forward, hold
5 Twist ¼ turn left on left bringing right together
6-8 Hold
The sequence is:
Introduction > tag twice
Complete 2 walls of dance > tag twice

Complete 2 walls of dance > tag twice Complete 3 walls of dance > tag once
