- 5-6-7&8 Scuff right forward, ½ turn over left on left scuffing right back, step right forward, lock left behind right, step right forward. (1:00) (wall ends facing left diagonal)

REPEAT

RESTART

There is a restart on wall 3. Dance to count 14, then step right forward, touch left beside right. Restart dance Because each wall (except restart wall) finishes on a diagonal, you will need to turn your body slightly to the right as you rock/step left to left (first step of dance) to straighten up to new wall - the wall your right shoulder faces when you dance the last 2 steps of the dance
