- 39-40 Step forward on right, at same time turning ¼ right, slide left to right, step forward right, stomp left beside right

REPEAT

Sometime in the recent past, someone added 4 counts to the dance and called it "Boot Scootin' Boogie". That is the version done through much of the Midwest. The extra counts were added at the end of the vines in counts 31-34 and 35-38. After the 31-34 vine they added

1 Left foot toe tap to left

2 Clap

After the 35-38 vine they added

1 Right foot toe tap to right

2 Clap

and they removed the clap that finished each vine. Voila! A whole new dance!
