RESTART

On the first wall leave off counts 25-32. That just means you restart the dance after count 24

There is a music break on the last wall at count 8. Just stand still and resume the dance at count 9 ($\frac{1}{4}$ turn hook) on the word "corner"

The dance finishes at the beginning facing the front. After count 8 just touch left heel to left diagonal, step forward on left, touch right heel to right diagonal, step forward on right and repeat until music ends.
