## **LUNGE FORWARD SWEEP AROUND ½ TURN, BACK SLIDE HOLD**

1-3 Lunge left forward, sweep right around turning ½ left ending with right pointed to right  
4-6 Step right back, slide left beside right, hold

## **REPEAT**

At the end of the 2nd & 5th wall the music pauses, and that is exactly what you do. You don't need to count how many walls you have done, the music lets you know. Near the end of the song the music pauses again but keep dancing through the pause. This waltz is very nice to do so don't let the pauses put you off.
