

Fill My Life

COPPER KNOB
BY STEPHENETS

Count: 32

Wand: 2

Ebene: Improver

Choreograf/in: Charlotte Skeeters (USA)

Musik: Fill My Life - The Limelitters

Dance is designed to cover the floor with big/long/wide movements wherever possible, especially the paddle turns. It is counted in half time. That is, count 1&2,3&4, instead of 1-2-3,4-5-6 and so on. When using "Fill My Life", start after 32 counts. I can't show you here but I do "signing" for the 32 count intro. You can find it on the back of the signed copy. It has a sign language guide with little pictures of people showing how to sign the words. You can find this one at www.linedancefun.com, or email me at char.skeeters@sv.sc.philips.com me and I'll send you one
