RESTART

On wall 4 skip the last set of 8's (sailor step-section) and start from beginning after the robot ¼ turns. This is only necessary when you dance it to Johnny Gill's "The Floor"

ENDING

The dance ends on the wall 9. On this wall the music seems to stop. Keep going on! The beat kicks in again after the unwind. There is one count right after the hip bumps (6th set of 8's). Strike a pose!
