- 7 Step backward (the same forward direction as in 1) with left foot, turned 1/8 to the right.
- 8 Step right foot beside left, gliding it into place. The body is rotated but not redirected

REPEAT

Fair Play can be danced by persons who feel they must use walkers. The tempo and movements are planned to allow easy manipulation of a walker, with or without wheels. Experience indicates that most dancers find the ability to dance without their walkers once they become accustomed to the steps
