RESTARTS

Please do not be put off by these restarts! All restarts are in exactly the same place and happen basically every other wall! They are really easy to do. TRUST ME!

During walls 3, 5, 7 and 9. Dance up to count 24 (you will always be facing the 9 o'clock wall at this point). Each time you start the dance facing the 6 o'clock wall – this is a restart wall and will take you to the 9 o'clock wall for the restarts. After the last restart wall, just dance through.

Sequence of dance – 48, 48, 24, 48, 24 + tag, 48, 24, 48, 24 + tag, 48, 48, 48 – ending

It is not as confusing as it looks, play the music, it will all fall into place easily!

TAG

To keep this dance in phase with the music, just before the restarts on walls 5 and 9, add 'sway hips left 2,3, right 2, 3' then restart the dance. Again, easy to spot, he sings the words 'what I love about home'.

Optional Ending

You will facing the 12 o'clock wall when the music is coming to an end, do the first 6 counts, then '& cross right over left, unwind $\frac{3}{4}$ left to face the 12 o'clock wall again

REPEAT AND ENJOY!
