Tags and Restarts:

• The added "&" counts on walls 2, 4, and 5 are technically tags since they are added to the choreography.

• The TAG on wall 4 asks you to do the FIRST 12 counts of the dance, drop the syncopated vine and add two more sailor steps in it's place, do the "&" count and restart the dance.

• Wall 5 you drop the last 4 counts then do the "&" count tag to start the dance.

• And lastly, wall 6 asks you to do the last 4 counts with a ½ turn to face the front and a "TA DA" for and ending.

This is all written out below.

Dance flows in a counterclockwise direction:
