**This is the first of a series of dances I plan on writing to Ernie Oldfield's songs.
It is 12 months since his unfortunate death last year (June 08)**

His cd was sent to me by the producers and I like the simplicity of the songs... reminds me of days gone by I guess, so I am more than happy to write a few dances, especially as the covering letter said "With our thanks, best wishes, and for the love of country dances". Now, that's right up MY alley! (-:

**So, here's an easy little dance that you will manage without problems..
And thanks for doing it! Hope you enjoy it..**

See you on the floor sometime....
