## FOLLOWER

Start the dance on your R foot and do the same steps as above but on the opposite foot

**Note:** At counts 25 and count 29 when you step back making 1/4 turn, you let go of hands and swing your hand around to the side. Rejoin hands at the end of counts 26 and 30 respectively.

This dance was written for a wedding by request from Helen Cox from Brisbane.  
They wanted something simple..... and this is definitely simple enough ...  
Even the wedding guests should manage it! (-:

I wish you a wonderful wedding day and a happy life together.  
See you on the floor sometime...Jan
