## Still Love You

Count: 32
Wand: 2
Ebene: Intermediate
Choreograf/in: Terry Hogan (AUS) - December 2010
Musik: Still Love You - Trace Adkins : (CD: Cowboy's Back In Town)

32 count intro. December 2010.
Count pattern, 32,32,32,24,32,32,32,32,8
[1-8]: ROCK FWD L, REPLACE R, BACK-BALL-CROSS LRL, ROCK SIDE R, REPLACE L, BEHIND R, 1/4L FWD L, 1/4L SIDE R

| 1,2 | Rock-step forward Left, replace weight back onto Right |
| :--- | :--- |
| $3, \&, 4$ | Step backward Left, step backward on ball of Right, step Left across Right |
| 5,6 | Rock-step side Right, replace weight sideward onto Left |
| $7, \&, 8$ | Step Right behind Left, make $1 / 4$ turn left and step forward Left, make $1 / 4$ turn left and step <br> side Right |

[9-16]: BACK L, TOGETHER R, ROCK FWD L, REPLACE R, BACK L, ROCK BACK R, REPLCE L, 1/4L SIDE R, 1/4L BACK L
1,2 Step backward Left, step Right beside Left
3,\&,4 Rock-step forward Left, replace weight back onto Right, step backward Left
5,6 Rock-step backward Right, replace weight forward onto Left
$7,8 \quad$ Make $1 / 4$ turn left and step side Right, make 1/4 turn left and step backward Left
[17-24]: ROCK BACK R, REPLACE L, FWD R, FWD L, FWD R, 1/2L FWD L, FWD R, 1/2L FWD L, FWD R, 1/2L FWD L
1,\&,2 Rock-step backward Right, replace weight forward onto Left, step forward Right
$3,4,5 \quad$ Step forward Left, step forward Right, make $1 / 2$ pivot turn left onto Left
6,\& Step forward Right, make $1 / 2$ pivot turn left onto Left
7,8 Step forward Right, make $1 / 2$ pivot turn left onto Left
*for those dancers who have trouble with turns, you can replace the $2 \mathrm{nd} \& 3$ rd pivot turns with a syncopated 'rocking chair' step - it is necessary to do the 1st turn though or you won't be facing the right wall.
[25-32]: ROCK FWD R, REPLACE L, 1/2R SHUFFLE FWD RLR, FWD L, 1/2R FWD R, FWD L, TOGETHER R
1,2 Rock-step forward Right, replace weight back onto Left
3,\&,4 Make 1/2 turn right and shuffle forward Right, Left, Right
$5,6 \quad$ Step forward Left, make $1 / 2$ pivot turn onto Right
7,8 Step forward Left, step Right beside Left
*there is 'short' wall of 24 counts on the 4th repetition only, and it is necessary to make a small adjustment to the regular pattern of counts 17-24 as shown below so you are ready to restart the dance on the correct footing - what you do is take out the ' $\&$ ' count and the final step from the pattern and do 2 pivot turns rather than 3 - this also means that wall $4 \&$ wall 5 will both start facing the same direction (the back wall).
[17-24]:ROCK BACK R, REPLACE L, FWD R, FWD L, FWD R, 1/2L FWD L, FWD R, 1/2L FWD L, FWD R
1,\&,2 Rock-step backward Right, replace weight forward onto Left, step forward Right
3,4,5 Step forward Left, step forward Right, make 1/2 pivot turn left onto Left
6,7,8 Step forward Right, make $1 / 2$ pivot turn left onto Left, step forward Right
Because this is such a slow song, it is intended to be danced with a 'latin' feel using the hips and sliding the feet into each step.
