**RESTARTS:**

On wall 2 (you'll start facing 6:00), you'll dance the first 40 counts and then start the dance over (you'll be facing 6:00 when the restart happens).

On wall 5 (you'll start facing 6:00), you'll dance the first 32 counts and then start the dance over (you'll be facing 6:00 when the restart happens).

To ensure your weight is on the left foot when you restart, do a coaster with a touch instead of a coaster step.

**ACAPELLA SECTION:**

On wall 5, before you dance your second restart, there will be a section where you lose the beat and it's just vocals and guitar.

Do your best to maintain the same rhythm throughout this section. The beat will pick up again right after your restart.
