Mule Kick Replace Counts 27&28 with the harder Mule Kick option:

- 27 & 28 (27) jumping upward & kicking feet backward - slap left foot with left hand, (&) whilst placing left foot to floor – slap right foot with right hand. (28) step right down next to left (weight even).

Dance Tip: As you jump upwards on count 27, start to raise left foot quicker than the right.

DANCE FINISH: The dance 'Finale' will start on Count 16 of the 11th wall (facing '6:00').

This is a purely fun/silly ending to finish the dance facing the 'home wall'

Straight faces please.... Think of a Galloping Horse as you do this.. Moving in an left arc

- 1 & 2 (lifting knees slightly) Step to left, step right next to left-lifting left slightly, touch left next to right (4.30)
- 3 & 4 (lifting knees slightly) Step to left, step right next to left-lifting left slightly, touch left next to right (1.30)
- 5 & 6 (lifting knees slightly) Step to left, step right next to left-lifting left slightly, touch left next to right (12.00)

You should now be facing the home wall... you will hear the Horse 'Neigh' again...

.. just pull the Horses reigns backward ('Hi Ho Silver' fashion...) for about two counts.
