- 8 Turn 1/4 right cross stepping L over R. 9 o'clock

Start Again

There are 2 restarts, during wall 3 and 5.

*Dance the first `28 &' counts and then start the dance again from the beginning.

So the last step of the sailor 1/4 turn right becomes the first step of the dance stepping out to right side.

The first restart will be facing the back wall and the 2nd restart will be facing 3 o'clock.
