

My Alibi

Count: 24

Wand: 2

Ebene: Easy Beginner waltz

Choreograf/in: Rob Ryan - May 2014

Musik: Alibis - Tracy Lawrence

Basic Waltz Box - Back, Forward

- 1-3 Step back with the right foot; step left with the left foot; step together (close right to left).
4-6 Step forward with the left foot; step right with the right foot; step together (close left to right).

Basic Waltz Box ½ Turn, Counterclockwise

- 1-3 Step back with the right foot, starting a counterclockwise ¼ turn; step back left, completing the turn; close right to left.
4-6 Step forward with the left foot, starting a counterclockwise ¼ turn; step forward right, completing the turn; close left to right.

Clockwise, 360 Degree Rolling Turn, Traveling Left, Point Right

- 1-3 With your weight on your left foot, step right over your right shoulder, pivoting on your left foot, and turning 180 degrees, rolling left from where you began, and landing on your right foot; Continue the turn in the same direction another 180 degrees, pivoting on your right foot, and landing on your left foot; Close right to left. You will finish this turn with your weight on your right foot, facing the same direction you originally started, but further to the left of where you began.
4-6 Point to the side with your left foot, and hold for two additional counts.

Counterclockwise, 360 Degree Rolling Turn, Traveling Right, Point Left

- 1-3 With your weight on your right foot, step left over your left shoulder, pivoting on your right foot, and turning 180 degrees, rolling right from where you began, and landing on your right foot; Continue the turn in the same direction another 180 degrees, pivoting on your left foot, and landing on your right foot; Close left to right. You will finish this turn with your weight on your left foot, facing the same direction you originally started, but further to the right of where you began.
4-6 Point to the side with your right foot, and hold for two additional counts.
