**Starting note:** This dance is a circle partner mixer dance. Person in outer circle is 'A' while 'B' should be in the inner circle.

'A' should be slightly in front of 'B' to the right in a Shadow Position ('B' is facing A's back). 'A's R palm is facing downwards and raised to shoulder level while the L palm is facing downwards at the waist level. B's palms are facing upwards to hold 'A's palms R to R and L to L. Start dance facing the anticlockwise direction of the circle (indicated as 12:00; 9:00 is facing into the circle; 3:00 facing out of the circle).
