There are two easy to hear Tags: Each is same and music is same.

First Tag is on fifth wall after the entire 32 counts after the wave hand jive you add additional hand jive but this one is by making two fists and bumping twice with right on top then reverse and bump fists twice with left on top.

The fist bumps are four counts. The lyrics say, "That's how it's meant to beeeeeee."

Then four counts of music. There's your Tag. The next Tag is toward end of song facing back wall. Same lyrics and music.

A special shout out to Fla.group "Time to dance" I hope you like the neat dance.
