Start the dance from the beginning!

This dance is written for Ultra (Absolute) Beginners.

To make this dance a little more interesting for others:

Make the rocks (3&4) in the first two sections into pas de bas steps (side recover forward)

Make some of the other in place shuffles either moving shuffles or swivels or pas de bas steps

Make this dance a 4-wall dance by making section 2 rocks (3&4) into a ¼ left shuffle – it will not end at the front wall, so do a turn to front at the end of the Leaving of Liverpool instrumental.

Please fit this dance to the level of the dancers and enjoy.

I don't do this dance with a restart, but you can do a restart at the beginning of the Leaving of Liverpool instrumental to fit the music.
