

# A Simple Cha Cha

**COPPER KNOB**  
BY SHEETS

Count: 32

Wall: 4

Level: Beginner

Choreographer: Ilona Tessmer-Willis (USA) - January 2016

Music: Baby, I Love You - The Ronettes : (Google Play / iTunes / AmazonMP3)

**Note:** this dance is written as a social Cha Cha, 1 2 3&4 5 6 7&8 which is popular in line dance and easier for beginner dancers;

Have had fun trying out different Cha Cha tunes to this dance, for example: "Do You Want To Know A Secret" by Beatles or "Smooth" by Santana

Country song suggestions:

"Beat Of The Music", by Brett Eldredge

"One More Drinkin' Song" by Jerrod Niemann

"Lonely Eyes", by Chris Young

"Follow Me", by Uncle Cracker

Beginners tend to take large steps & aren't always sure which foot has the weight; it helps to remind them to take "smaller steps" and "remember weight is on the—". It leads to less frustration as they learn it takes a bit of practice & patience, (which is why I choose this slower tune).

**Fun fact:** Cha Cha rhythm developed from the Danzon (Cuba) which syncopated the 4th beat to match the steps with the beat of the music.
