On the 7th wall, you are going to start the dance (the song sounds like it's about to end), at the end of the first 8 counts comes the Bridge.

The Bridge is as follows:

### Rolling Vine RLR, Rolling Vine LRL

1,2,3,4 Rolling vine right, left, right

1,2,3,4 Rolling vine left right left

...then you will continue the dance with the Vaudeville steps and so on.

So it will go as this:

Vine RLR, Vine LRL

Rolling Vine RLR, Rolling Vine LRL

Vaudeville Step Right

Vaudeville Step Left...

End
