OPTION TO TURN on S6: even beginner dancers like to try turns—this is the best spot in the dance.

***Salsa: LA style-start on count 1: Salsa & Mambo are high energy dances; (this dance is beginner level ie slower & no syncopation); (Cuba, Columbia, Puerto Rico) “evolved” from mambo & other Afro-Caribbean rhythms in 1950’s;**

Rumba: Start on count 1 or 2 depending on dance studio and/or region; in line dance, it’s popular to start on 1; (Cuba, Columbia, Puerto Rico) “evolved” from mambo & other Afro-Caribbean rhythms in 1950’s

Mambo: Start on count 2; in line dance it usually starts on count 1; some dance studios teach to start on count 1; (Cuba) led to the Cha Cha;

Enjoy dancing !
