Enjoy the dance! Thank you for all the positive feedback! Also note at Country House we like to do this dance to "19 You and Me" by: Dan and Shay. The movement is a little slower which you may either enjoy as much or find better for learning the steps. Hope you enjoy the 16 Cha Cha dance, please share your comments or videos.

Cowboy Steve is available for dance workshops and guest choreographer invitations; please email to: cowboystevelinedance@gmail.com

I hope you enjoy this dance and song as much as I do. Thank You for your feedback!
