There is an obvious bridge or long pause (bridge) in the song. The artist pauses, then sings acapella, and pauses again. This tag happens on the 17th wall of the dance. You will be facing the 12 o'clock when the music stops, Do not stop dancing! you must complete the first 16 counts of the dance. Which will direct you to the 3 o'clock wall to begin the tag.

After the Tag you will restart with part A for 2 Rotations, This will put you back on the 12 o'clock wall. Then Part B for 4 rotations you will end the dance on the 12 o'clock wall.
