Start over

TAG: Wt's on left facing OSLOD in starting position: (1-8) Rock forward on Rt, recvr Lf, shuffle back RLR; rock back on Lf, recvr Rt, shuffle forward LRL; (9-16) Sway RLRL; rock forward on Rt, recover Lf, rock back on Rt, recover Lf. Leave enough between partners for lady to step behind to restart the choreography. (Optional: On counts 9-12 of the tag, man can wrap arms around the lady in a cuddle on the sways, opening back up on count 12. On counts 15 & 16, man needs to step back on his Rt on count 15 and step Lf Ft down beside Rt on count 16 as the Lady recovers on her Lf. This creates space for her to step behind on the restart.)

Tags come during the first two musical breaks. The first one comes after the 3rd repetition, the second after 5th repetition.

Ending: Choreography ends in the starting position facing OSLOD with a few beats of music remaining. Lady does a half pivot turn in place to face the gentleman as both bow to end the dance.
