- 3-4 Slide backward leading with Right foot and dragging the Left heel behind, step Left next to Right
- 5-8 1/4 Pivot step Right turning Left (x2)

## **NOTES (Optional)**

\*Sec 1 - Styling – While doing the Hip Sway – sweep Right hand left to right, landing on hip

\*Sec 1 - Styling - While Dropping Down lift Right arm up in the air and bring it back down when popping back up

\*Sec 1 - Instead of the Drop Down, Pop Up there are three other options: (1.) Bend & Snap bending over your left leg and standing back up landing with weight on Right foot, (2.) Hip Roll Counterclockwise, OR (3.) Hold & Stomp Right foot twice

\*Sec 3 - Instead of the L 1/2 Turn Shuffle, replace the shuffle with a Full or Double Spin

\*Sec 4 - Styling - While Pivoting, there are two options (1.) Raise both hands up in the air and spin them counterclockwise once with each pivot OR (2.) Lasso with right arm counterclockwise once with each pivot
