

# Maids of Arrochar

**COPPER KNOB**  
STEPSHEETS

**Count:** 48

**Wall:** 2

**Level:** Beginner waltz

**Choreographer:** Jim Collins (USA) - March 2020

**Music:** Maids of Arrochar by Casadh au tSugain on Celtic Love Songs (track 1) start at 20 seconds

**Alternate 1:** Could I have this dance by Anne Murray

**Alternate 2:** Take it to the limit by the Eagles

Or any other slow waltz

Start with weight on RIGHT. Easiest to teach and learn in sections of 12 counts.

## SECTION 1

### Forward full basic

1-6 Left forward, right side, left together, right forward, left side, right together

### Backward full basic

7-12 Left back, right side, left together, right back, left side, right together

## SECTION 2

### Forward quarter turn left, back ½ basic

13-15 left (turning a quarter), right side, left together

16-18 right back, left side, right next to left

### Repeat (forward quarter turn left, back ½ basic)

19-21 left (turning a quarter), right side, left together

22-24 right back, left side, right next to left

## SECTION 3

### Left twinkle, right twinkle

25-27 left cross over right, right to side, collect left next to right

28-30 right cross over left, left to side, collect right next to left

### Diagonal Step lock steps (x2)

31-33 left forward, lock right behind, left forward

34-36 right forward, lock left behind, right forward

## SECTION 4

### Left balance step with drag, right balance step with drag

37-39 left to left, drag right next to left(touch)

40-42 right to right, drag left next to right(touch)

### Rear balance step with drag, forward balance step with drag

43-45 left back, close right with a drag (touch)

46-48 right forward, close left with a drag step (touch)

Repeat. Enjoy.

This can be done as a partner line dance in the sweetheart position.

Thanks to Ginger Kozlowski for her kind mentoring and to Steve Cavanaugh for his stepsheet review.
