Repeat steps 1-32, for a 64 count dance with a tag.

TAG 32 counts, once you face the starting wall the second time. Do the first 32 steps - the difference, do not make ¼ turn to left on Step 23... instead: toss in a 3-step-turn at 17-20 and 21-24. Have fun! Really let go of your inhibitions and exaggerate your body moves!! Twang it!! *If you cannot do turns... LF steps to side in count 23.

Then start again from beginning.

LF - Left foot; RF - Right foot
